COLLEGE PREP:

**AVID**—Advancement Via Individual Determination—Legend High School
*Program to close the achievement gap, especially for those students traditionally underrepresented in four-year colleges and first-generation college students.*

kristy.hart@dcsdk12.org
303-931-1268

**College Writing Camp**
*Half of all incoming freshmen do not have the skills needed to research and write a research paper to college standards.*

**College In Colorado**
*This is a one-stop resource for Colorado teens to begin college and financial aid planning.*

**Denver Foundation** has local and regional scholarships. *Instead of competing with thousands of students nationally, you might be competing with hundreds or even dozens closer to home.*

**FAFSA (Free Application for Federal Student Aid)**
*The government provides more than $150 billion in grants, loans, and work-study funds each year, but you have to complete the FAFSA to see if you can get any of that money.*

**Repaying Student Loans** has everything parents and students need to know about repayment options. *Many students don’t realize late payments can affect their credit after graduation.*

**Gale Testing and Education Center, Douglas County Libraries**
[http://douglascountylibraries.org](http://douglascountylibraries.org)
*Free ACT and SAT practice tests, scholarship, and financial aid information. Library card required for login.*

**Life After High School**
*It’s no longer a given that children with intellectual challenges don’t go to college!* *Life transition resources for students with cognitive disabilities and their parents*

**Peterson’s Guide**
*Peterson’s is the “Bible” of college admissions.* *Get information about colleges, financial aid and more.*

**Summer Bridge Program** *Pre-freshman college readiness camp helps students with time management, study strategies, and other skills needed for a successful college career. High school seniors who have been accepted to college should contact the institution directly.*

**TRIO Scholars** *is a program for students who are the first in their families to attend college and for*
academically at-risk students. Mentoring, skills development, and extra support make a college degree possible for everyone. Contact the college directly for program information.

DATING VIOLENCE:
1.5 million teens will experience dating abuse this year. Only 33% of teens report such incidents and 81% of parents believe dating violence is not a serious issue or don’t know if it is.

Coaching Boys Into Men Because of these special relationships, coaches are poised to positively influence how young men think and behave both on, and off, the field. The Coaches Leadership Program equips coaches to talk with their athletes about respect for women and girls and that violence doesn’t equal strength.

Love Is Respect.Org Does your teen have a safety plan in place in case a date or relationship goes wrong? Love also maintains a Teen Dating Violence Hotline call 1-866-331-9474 or text “loveis” to 77054. Teens can also chat live online with a peer advocate.

Project Pave The mission of Project PAVE is to empower youth to end the cycle of relationship violence. The cycle of relationship violence is generational and affects people in every community. PAVE’s approach to ending this cycle is through Intervention, Prevention Education, and Youth Leadership.

Servicios de la Raza

That’s Not Cool helps teens prevent online dating intimidation. Excessive texting or calling to keep tabs on a dating partner, online stalking, checking their phone, or demanding passwords to check the person’s email is not cool! Posting nude pictures or lies about the so-called “loved one” is definitely not cool!

Women’s Crisis & Family Outreach Center

Y.E.S.S. Program, Douglas County Sheriff’s Office has programs to help teens establish healthy and safe relationships. For immediate help call 911 or 303-660-7535 for non-emergency assistance.
